2 MEN CHARGED WITH BLACKMAIL

"RED" FITE AND GEBE KELLEY ARE ARRESTED TODAY.

K.K.K. LETTERS RECEIVED

Since October 30 by Joseph Jackson, J. G. Grems and George Moore, Demanding Money.

Herschel ("Red") Fite, about 23 years old, and Gebe Kelley are being held by the authorities here on a charge of trying to obtain money from parties here by writing letters demanding if the money was not left some harm or destruction to their property would be done. The postoffice inspector, F. D. Florea, of St. Joseph was notified today and is expected here tonight.

Fite was caught last night by Chief of Police Harve England while Kelley was not arrested until this afternoon. It was said Fite implicated Kelley in the letter writing.

According to the authorities, three letters were sent demanding money, all of them being signed "K. K. K."

Fite was caught about 10:40 o'clock last night by Marshal England when he picked up a box which he demanded George Moore to leave in the yard of the Fite home which is south of the Moore Bros. factory. Fite lives with his mother in a house located on North Market street between the Moore Bros. factory and the home of John G. Grems, who received one of the letters.

Mr. Moore had received a letter directing him to put $800 in a box at his factory door last night. England was notified and watched on the inside of the building from 6:30 in the evening until the time that Fite appeared.

Moore placed some money in a box and left it at the designated place, with a wire attached to it, running under the door, which slides up and down. England noticed through a window Fite get out of a car on Market street, go through his mother's house and come out of the back door directly to a place near the south entrance to the factory where the box of money was placed and then the box was moved. England immediately raised the door and turned his flash light upon him which blinded him. This morning he appeared at the city hall and was then turned over to the county officials who hold him in custody. He offered to plead guilty before Mayor Garrett this morning but there is no city ordinance covering this case.

Since October 30, three letters, signed "K. K. K." have been received in Maryville posted at the Maryville office. Joseph Jackson received the following:

Oct. 30, 1923

Dear Sir: In our meeting last night we find that you have one thousand dollars you don't need sow bring it to the old barn south of the old mill on Market st by Wednesday night at 8 o'clock and don't try to double cross us for we have men watch ou you and save some trouble for if you don't your house will go up so don't try any funny stuff.

Ku Klux Klan

Don't forgit at 8 o'clock you will find a tin can by the door. Put money in it and go on home. Don't fail for you will be the one to suffer.

John G. Grems, 121 East First St., received a missive from the K. K. K. on November 5, directing him to place $800 in a coffee can on the northwest corner of his woodshed that night. Neither Jackson or Grems complied with the letter.

The last letter was received by George Moore and is given below:

Nov. 14, 1923

Dear Sir we find that you have not don much for your country sow we are asking you for 8 hundred dollers which we will be looking for from you tomorrow night between 8 and 9 o'clock at the back door of your factory. You poot the money in a small Box on the outside of the back foor and don't forget we have sent some of our men up to take care of this matter. If you rifuse they will blow your little factory up some time this week and don't try to get away from us eather, there will be men watching you from now on. We mean what we say. Don't try to double cross our men eather if you want to have good helth. Don't you try to watch eather for we have sent enuf stuff to do the work.

K. K. K."

Fite has been in trouble before, having been convicted of stealing tires off of a car. He received from the jury a fine of $100 and a recommendation for a parole. This was in January, 1919. He has a brother, Muriel Fite, who was sent to the reform school at Boonville at the January 1923 term, on a charge of stealing a car.

BANQUET KEYNOTE IS PARTNERSHIP

150 FATHERS AND SONS FEAST AT BAPTIST CHURCH

ST. CLAIR TOASTMASTER

High School Orchestra Furnishes Music—Ladies Auxiliary Of Baptist Church Serves Dinner

The spirit of comradeship existing in the partnership of father and son was the prevailing note at the Father and Son Banquet held at the Baptist Church last evening. The High School orchestra furnished music before and during the dinner while 150 were seated at six tables. The banquet was given under the direction of the Young People's Division of County Council of Religious Education.

The program as followed was sent out by the State Department of Education. L. L. St. Clair, principal of the Maryville High School, was the banquet toastmaster. He emphasized the need of a co-operative partnership that should exist between every father and son. He spoke of the organizing of a business firm in relation to one of the best partnerships, the father and son partnership. But said, that there is one that must not be forgotten, the mother, then giving a toast to "Mother."

Homer Ogden, captain of the High School football team, spoke on "Dad," as the party of the first part in the partnership. He said that the sons do not realize what a wonderful being he really is; that the sons do not go to their dads enough to get advice and tell him their troubles. Dad should be thought of more as a pal, Ogden said, and that he always gives the bets he has.

The Rev. S. P. Allison, in answering for the party of the second part, "Son," gave the dad's view of son. The father has had the privilege of being both a son and a dad and has the insight to look through the period of son to father. The Reverend Allison said the father may not be as smart as the son, but he necessarily does not need to be because he has had more of a chance to get the point of view that the young mind of a boy cannot visualize. The father knows that all things are not what they seem and has power to see any mistaken identity, which has so often smashed up sons in this world. Partnership between father and son is a fine idea and that both sides of the partnership have responsibilities. The father must keep young spiritually.

Leslie G. Somerville, county superintendent of schools, in speaking of the partners at work gave the characteristics of the partnerships as each letter in the two words "father and son" indicate; faithfulness, affection, tirelessness, honesty, earnestness, righteousness, sincerity, obedience and nearness, or comradeship, which every boys yearns.

"The Story," by the Rev. B. F. Cline was narrated as a story from life, a partnership of father and son, which he said is the biggest business of life. "The Silent Partner," as told by Prof. H. A. Miller, is a partner that every father and son should cultivate and one that is the greatest partner of all, the Almighty God. It is He that gives inspiration and strength and it is He, the Silent Partner, for whom we should look and listen; as He is the most powerful partner the world has ever seen. Professor Miller said that religion is one of the best things in man's life.

The Rev. Joseph Cooper closed the banquet with a prayer.

The program as carried out:

Music—High School Orchestra.

Prayer—The Rev. C. C. James.

Dinner.

"Organizing the Firm"—by toastmaster, L. L. St. Clair.

A toast to "Mother"—By toastmaster.

Vocal Solo, "Mother Machree,"—La Verne Robey.

BARACKMAN WINS IN STRAIGHT FALLS

KANSAS CITY WRESTLER IS DEFEATED HERE LAST NIGHT

DOESN'T WIN THE TITLE

Barackman Fails To Make Weight At 3 O'Clock Yesterday Afternoon—About 350 Attend Match

And Mervin Barackman wins again!

Some day there may be a middleweight wrestler come to Maryville who can make the local mat artist admit defeat. But it will take more than one Billy Wolfe of Kansas City to do the trick.

Barackman won in two straight falls; the first coming at the end of twenty-eight and a half minutes, with an arm strangle, and the second in thirty-three minutes, with a toe hold.

But the Kansas City middleweight still holds the championship of Missouri. Wrestling rules provide that a middleweight must not weigh over 158 pounds, and at 3 o'clock yesterday afternoon, Barackman weighed in at 160 pounds and Wolfe at 157. This disqualified the local wrestler as far as the title was concerned in last night's contest.

But it's a mighty good thing for the middleweight champion that the local athlete was over the weight last night. Oh, yes, Mr. Wolfe, it's a mighty good thing for you. Otherwise you would be going back to Kansas City today minus your title.

Wolfe took the offensive in both falls. At a number of times, he showed good flashes of work but at other times during the progress of both falls, he looked as if he were bewildered by the wonderful action of the Maryville wrestler. Time and again Barackman would break loose from toe holds, armlocks and crotch holds. Wolfe clamped on a series of headlocks, but each time Barackman would pull out of the hold that won Ed Lewis a championship.

Then, Barackman clamped on an arm strangle and it did the work. The time was twenty-eight and a half minutes.

A little more action featured the second fall and Wolfe again took the offensive and mixed in a few rough tactics of the mat game. The Kansas City wrestler clamped on a number of headlocks but he couldn't apply the "make-him-say-it" pressure. Barackman succeeded in obtaining a number of body scissors and armlocks but Wolfe was too quick.

But the toe hold did the work. Barackman soon found it out and clamped down a terrific pressure. Wolfe yielded, and the time of the second fall was thirty-three minutes.

Charles Wagner and Arthur Brewer furnished the first preliminaries. Each got into a barrel and put on a boxing bout. Little Victoria Stone and Jackie Barackman, two youngsters of Sheridan, put on a fifteen-minute wrestling match which was declared a draw.

Dennis Collins handled both the preliminaries and the main show.

About 350 persons were there.

$607.55 Given in Roll Call Drive Yesterday

Mrs. Blaine Archer to Have Charge of Clean-up Tomorrow—Other Towns Report Favorable.

In the first day of the Red Cross Roll Call drive for the city of Maryville that commenced yesterday the city was partially canvassed at $607.55 collected by the ex-service men. John Curry, who is in charge of the drive at the State Teachers College, reported $60.

Service men are out again today going to the parts of the city that the solicitors were unable to cover yesterday. For the clean-up tomorrow Mrs. Blaine Archer will have charge.

Reports from over the county that have been coming into the Red Cross office today indicate that the Roll Call drive is progressing well and some towns are expecting "to go over the top."

Mrs. Ed Masters went to Omaha this morning to visit her son, Clyde E. Masters, who underwent an operation last Monday for a stone bruise on his heel. He underwent a similar operation seven weeks ago and was dismissed from the hospital only two weeks ago.

Paving Workers Go Out on Strike This Morning

Demand Raise Of From 35 To 45 Cents an Hour—Company Refuses—Concrete Work Finished

Ten workmen employed by the Cook & O'Brien Construction Co. of Kansas City on the paving work on West Third street, walked out on a strike this morning. The men received 35 cents an hour for their services and they demanded that this be increased to 45 cents an hour. Officials refused to meet the demands of the men, but offered a few of the workers 40 cents an hour, which was refused.

All striking men live in Maryville. Four or five men refused to join in the strike and are still on the job. These men have been working for the construction company for a number of years, it is said.

Concrete work for the paving has been completed and the men were getting ready to place the bricks. The strike may delay the paving work several days.

YOUNG MAN PASSES WORTHLESS CHECKS

OAKLEY MARKHAM ARRESTED IN ST. JOE YESTERDAY.

UP IN COURT NOV. 24

Waives Preliminary This Morning—His Father Lives in Oregon, Mo.

Oakley Markham, 19 years old, and a student at Junior high school in St. Joseph, was arrested yesterday afternoon by the officers in St. Joseph on a state warrant issued at Maryville. Sheriff Roach went to St. Joseph yesterday and brought Markham to this city.

Markham is charged with passing worthless checks in Maryville last Saturday. These checks were made on the Farmers Trust Co., of this city and some of them were signed by E. B. Moore and made out to George Burns. The checks were cashed by the Wray & Gray Oil Co., in the amounts of $2 and $15, Sellers restaurant for $8.75; Candyland for $5; and Mann's restaurant for $1.00. While at the Wray & Gray oil station, John Gray took the license number of the Ford car he was driving and it was due to this that the young man was caught.

After Markham was arrested in St. Joseph, he admitted, the detectives say, that he stole a Hupmobile touring car owned by Sam Nechemias of that city Monday night. Markham is said to have driven the car to Savannah Monday night and to have cashed some worthless checks there.

The car he came to Maryville in was a Ford which was rented to him by a St. Joseph concern.

Young Markham's father, William Markham of Oregon, Mo., came to Maryville today. He was accompanied here by a banker of Oregon.

Chief of Detectives Duncan of St. Joseph said that Markham was turned over to the Maryville sheriff, because it was through him that the arrest resulted, and that when the case is completed here the sheriff will deliver Markham to St. Joseph to be prosecuted for the theft of the car and for passing the bogus checks.

Young Markham was arraigned in justice court of Judge W. L. Johnson this morning and waived his preliminary and was bound over to circuit court which will meet November 24 under a bond of $500 which was signed by his father, William Markham and a banker of Oregon, Autumn Curry.

Seventy-Five Attend Bankers' Meeting Here

Maryville Is to Be Permanent Meeting Place of Nodaway County Bankers' Association.

Seventy-five persons attended the banquet and business meeting of the Nodaway County Bankers Association held at the Elks Club last night. Every bank in the county, except four, was represented.

It was decided that Maryville should be the permanent meeting place of the association. The next meeting will be held here January 8.

Fred Wolfers of the Gillam-Jackson Loan and Trust Co., of Maryville, delivered the address of welcome to the visiting bankers. H. W. Montgomery of Skidmore gave the address of response. Miss Blanche Dow of the State Teachers College gave a reading. Music was furnished by the Schumacher orchestra.

LOP-SIDED SCORES FEATURE TOURNEY

ROSENDALE, MAITLAND AND JAMESON WIN

2ND ROUND TOMORROW

Thirteen Teams Are Entered In Northwest Missouri Basketball Tournament For Championship

The Northwest Missouri indoor tournament started this morning with thirteen teams entered in the contest to compete for the championship. The drawings took place at 8 o'clock and an hour later the games commenced.

The scores of the first three games, played this morning were lop-sided, the Rosendale-Converse game being 111 to 7 in favor of Rosendale. Maitland and Rosendale showed up best of the six teams in the morning round. These two teams meet tomorrow morning and this should be one of the classic battles of the tournament.

Following are the drawings:

Sheridan vs Maitland.
Rosendale vs. Converse.
Union Star vs Jameson.
Faucett vs Gilman City.
Central of Hardin vs Galt.
Holt vs Pickering.

Darlington drew a by to play the winner of the Central-Galt match.

There were no games this afternoon on account of the football game. At 7 o'clock this evening three games will be played. The second round will start tomorrow morning.

Maitland matched with Sheridan for the first battle. Superior goal shooting by Connors and Ungles piled up a large score in favor of the Maitland quintet. Maitland was weak on the gift route missing every opportunity to score by this method. The box score is as follows:

MAITLAND (68)

	F.G.	F.T.
Conners	10	0
Ungles	17	0
Cartwright		
Marion		
Warner	4	0
Subs: Knepper	2	0
Edwards		

SHERIDAN (13)

	F.G.	F.T.
Girling	3	2
Cook	1	1
Dowis	1	0
Pakau		
Black		

The Rosendale-Converse game was another one-sided affair, with hardly any competition. The Rosendale goal shooters slipped the ball through the meshes from many difficult angles and played a fast and accurate game. The Rosendale team was the winner of the class B tournament last spring. The box score:

CONVERSE (7)

	F.G.	F.T.
G. Brawner		
Brown	1	0
Miller		
Coleman	1	0
Ellington		
Brawner	1	1

ROSENDALE (111)

	F.G.	F.T.
G. Bornes	21	1
Hewitt	12	1
F. Barnes	10	0
Gwinn	1	0
Triggs		
Davison	9	1
Smith	1	0

Substitutes: Brawner, Davison and Smith.

In the Jameson-Union Star match both teams played ragged ball missing many trys at the basket but with sudden spurts the Jameson boys forged ahead for a win of 29 to 7. The Union Star quintet seemed to be unable to hit the goal and many chances for scores were missed by narrow margins.

Box Score:

JAMESON (29)

	F.G.	F.T.
Gisebert	4	3
M. Brown	4	0
Caldwell	3	0
Rhoades		
Taylor		
Prichard	1	0
V. Brown		

UNION STAR (7)

	F.G.	F.T.
Faul	1	3
Crichton		
Henderson	1	0
Simpson		

Sam Dubin of Bedford is officiating at all of the games.

Dr. and Mrs. O. L. Curl left this afternoon for Kansas City on a business trip.

To Establish Motor Branch in Maryville

Jefferson City, Nov. 16.—Charles U. Becker, secretary of state and also head of the state automobile department, will establish six additional branch offices for the registration of motor vehicles.

The six branches will be at Hannibal, Sedalia, Moberly, Chillicothe, Maryville and Cape Girardeau.

The establishment of the new branches was made possible by the Automobile Association of Missouri, which has agreed to furnish everything necessary for the offices, including quarters and clerical help. No appropriation was made by the last legislature for additional branches.

BEN C. HYDE MUST APPEAR IN COURT

CITATION ORDER ISSUED BY COLE COUNTY JUDGE

RATE REDUCTION CAUSE

Kansas To Co-operate With Missouri In Attempt To Bring About Lower Fire Insurance Rates

Jefferson City, Nov. 16—A citation for contempt of court was issued by Judge H. L. Westhues of the Cole County Circuit Court today against Ben C. Hyde, state superintendent of insurance.

He was cited to appear December 1 and show cause why he should not be adjudged in contempt for issuing an order reducing fire insurance rates in Missouri 15 per cent, when the same proposition was pending in Judge Westhues' court on an injunction proceeding.

The citation was issued on a petition filed before Judge Westhues by J. S. Leahy of St. Louis and W. S. Hogsett of Kansas City, attorneys for 150 fire insurance companies doing business in this state.

When Superintendent Hyde issued his last rate order November 10, he stated that he was acting on the advice of his attorneys. It is understood he was expecting the citation.

Topeka, Kan., Nov. 16—Kansas today was asking to co-operate with Missouri in a fire insurance rate reduction.

John T. Barker, former attorney-general of Missouri who has been appointed by Governor Arthur M. Hyde to handle Missouri cases, was in Topeka today in conference with C. B. Griffith, attorney general of Kansas.

It was announced that representatives from Kansas would be present at a hearing in Missouri courts of a suit by insurance companies to prevent the reduction of rates, and Missouri representatives would attend a similar hearing in Kansas.

More than a year ago, Kansas obtained a court order to impound the difference between the old rates and a new lower rate. Under the proposed lower rate in Kansas, more than one million dollars in insurance premiums is being held by the state.

Barker announced today that he would apply for a similar order in Missouri, Saturday.

MARYVILLE WINS FROM SAVANNAH 6 TO 2.

BULLETIN.

FINAL—Maryville 6; Savannah 2.

Willoughby scores intentional safety in the last quarter.

The score at the end of the third quarter is, Maryville 6; Savannah 0.

Savannah now has the ball on Maryville's 35 yard line. Ogden is still out of the game. Willoughby makes several good gains in third quarter.

1ST QUARTER

Godsey started for Ogden at left end. Maryville received the kick-off. The ball criss-crossed over the field, neither side having any great advantage. However, Savannah made more first downs than Maryville. End of first quarter, Maryville 0; Savannah 0.

2ND QUARTER.

Maryville scored a touchdown in the second quarter. Smith carried the ovel over for the counter, but Willoughby failed to kick goal. Maryville had a big advantage in the second quarter by yardage gained. End of first half, Maryville 6, Savannah 0.

W. T. Brown is very low at his home in Skidmore following two strokes of apoplexy. He sustained the first stroke Tuesday night and the second stroke Wednesday.

BARS NOW DOWN IN NOMINATION FIGHT

"HI" JOHNSON'S ANNOUNCEMENT WILL START BALL ROLLING

ASPIRANTS IN SENATE

At Least Half Dozen are Casting Longing Eyest Toward Convention Next June

Washington, Nov. 16—The bars are down in the fight for the Republican Presidential nomination in 1924.

This was the reaction of political Washington today to Senator Hiram Johnson's announcement of his candidacy and his bold statement that he intends to contest for delegates where ever the opportunity offers.

The Californian's announcement has been expected for some time. One element of surprise, however, was that Johnson should have tossed his hat into the ring before President Coolidge delivered his message to Congress three weeks hence.

The prediction was heard on all sides in political quarters today that within thirty days there will be a half dozen, perhaps more, Republican aspirants follow the lead of the California Senator and announce themselves as candidates for the nomination next June.

The United States Senate contains a half dozen aspirants, at least, who have been waiting their time since the death of President Harding, surveying the situation and waiting for some one to start the ball rolling.

BEAR CATS 13; BLUE JAYS 9, FINAL SCORE

BULLETIN

Final score: Maryville 13; Blue Jays 9.

The Bear Cats came into their own today and by end runs and line plunges forced the ball across the Westminster goal line twice in the first quarter.

Westminster gained a touchdown by the forward pass route in the third quarter. A field goal was also scored by the Blue Jays in this period. Score, end of third quarter: Maryville 13; Westminster 9.

The line-ups:

Maryville—		Westminster—
Hay	c	Gilbert
Hays	t	Shelby
Graham	g	King
Kirby	c	McNolly
Pitman	g	Kerr
Richards	t	Hay
Eads	e	Durham
O'Banion	lhb.	Swift
Wilson	qb.	Wood
Masters	rhb.	Allen
Foreman	fb.	Frost

Coach Lawrence changed Wilson to quarter.

Westminster kicked off to Maryville; O'Banion received; Wilson hits Blue Jay line for good gains. O'Banion carries ball over for touchdown and also kicks goal. Score, Maryville 7, Westminster 0. Westminster punts to Eads; Maryville was penalized 15 yards and then punted to 20 yard line. Westminster punted and by a series of end runs and line plunges carried ball down field where Wilson carried ball over. O'Banion failed to kick goal. Score end of quarter, Maryville 13 Westminster 0.

Second Quarter—Young went in for Masters, Pierson for Swift and Sexton for Gilbert. O'Banion failed at a drop kick. Westminster received ball and carried it to one yard line but failed to make downs. Maryville gave an intentional safety. Half ends 13 to 2 in favor of Maryville.

Friends Shuck Corn for Injured Man

About 3,100 bushels of corn were shucked yesterday by friends and neighbors of O. O. Gregory, who lives five miles east of Clearmont. Gregory was injured in an accident about three weeks ago when his leg was cut by a wood saw and is still confined to his bed.

There were seventy-three in the party that went to the Gregory home yesterday. Of this number about thirty-two were women who cooked dinner for the men. His corn averaged between 50 and 60 bushels to the acre.

THE WEATHER

Fair tonight and Saturday, slightly colder tonight, near freezing; moderate temperature Saturday.

POLITICS AND ROAD BUILDING

It is unfortunate that a campaign year should come on just as the road building program is getting in full swing.

Everybody wants the good work to go on but the temptation to play politics with everything that comes up will be too great for many to resist and it is already being felt in the proposition to call the legislature together to provide means for continuing the work to an early completion.

Both parties will want to pass the buck for any mistakes or extra expense. The automobile owners, or a large number of them at least, asked for an extra session of the legislature to provide for carrying on the road building at a rapid rate. These men would expect and be willing to pay a higher license rate or tax on gas to help raise the needed money. Perhaps both, and they would soon get it back in the saving on better roads. The better the road, the less gas required and the less upkeep on the car. The highway commission would like to hurry along with the work because it wants to get through and because it is cheaper to work to capacity while maintaining a fixed overhead than it is to do less work with the same overhead expense.

Governor Hyde called the road committees together and indicated that he would call an extra session of the legislature if they would agree on some definite plan that they would recommend to the legislature. The committees instead suggested a number of plans which they agreed to have considered by the legislature. Governor Hyde refuses to call the membership together unless they recommend some definite plan. He has one important fact at his back. Money to be useful in fulling the gap between the exhaustion of the present available funds and the convening of the next legislature must be made available by the first of the coming year. That is only six weeks off and fast work would be necessary. An indefinite time spent in debate and threshing out various propositions might run it beyond the dead line and the Governor would then be subject to vigorous criticism for having called the legislature to no purpose.

On the other hand, if speeding up the road building would result, as its proponents claim, in the saving of millions in overhead, interest in the various benefits to be derived from doing big things in a big way, then the little $3,000 per day that the legislature would cost would be a mighty good investment. Both sides to the situation seem to be looking more to the political effect than to the roads. Governor Hyde's administration has been somewhat extravagant and expensive and he naturally shies now at more expense that may be used against his party in next summer's campaign. The democrats naturally want the administration to assume responsibility for any unusual undertaking and the committee members hesitate to commit themselves and the other members of the legislature to any definite plan that might prove later on unpopular. The Governor is a republican and the legislature is democratic. There are perhaps other reasons why the Governor does not wish another session of a democratic legislature on his hands at the beginning of a campaign.

The way it looks very much like the road building program will have to wait until after the political season is closed again.

Yesterday society was taking an interest in the girl with no mother to guide her now the woman who has no daughter to put her wise, gets the sympathy.

Vagrant Musings

The millenium will come when everybody belongs to the same church or the same political party.

When a wife decides to do so, she usually does.

Some people, whom we would not ask what is in their mind, we ask what is on their hip.

Two heads are better than one and that perhaps explains why they put two in a barrel. Any way an artificial blush is better than none.

Today's Vaudeville Patter

Biff—You remember that fine watch I lost last Summer.

Bang—Yes I recall the incident and remember your diligent search for it.

Biff—Well yesterday I put on a vest I had not worn for some time and what do you think I found in the pocket.

Bang—Your watch?

Biff—No the hole through which it slipped.

Rebekah Lodges Met in Clearmont Monday

(Skidmore News).

The annual session of the Rebekah Lodges of this district was held in Clearmont last Monday and officers were elected for the ensuing year and Miss Florence Jordan of Skidmore was elected president.

Only a few from Skidmore were able to attend on account of the bad roads, but a good number attended from over the district. Of the eight lodges in the district, every lodge, with the exception of one, had representatives both in the afternoon and evening.

Sister Lillie Ellis, president of the Rebekah State Assembly, conducted the school of instruction in the afternoon and gave a wonderful message in the evening. Splendid reports were given by the lodges over the district and the assembly voted to give $25 to the I. O. O. F. home at Liberty, Mo., which now has about 140 children and 100 old folks.

The Burlington Junction lodge conferred the degree in a splendid manner at the evening session. Much praise was due the Clearmont lodge for the royal entertainment shown and in serving with a lunch at noon and a banquet at 6 o'clock.

The following district officers were elected: President, Florence Jordan; vice president, Emma Greenelsh; warden, India Davis; secretary, Avis Snoderly; treasurer, Rachel Smith.

The assembly adjourned to meet with the Burlington Junction lodge next year.

Jameson Is Declared Eligible to Compete

Pattonsburg Protest is Over-Ruled—Liberty High School Withdraws from Championship Race

Jameson was declared outdoor basketball champion of Daviess County at a meeting of the board of control of the high school athletic association held at the Linville Hotel last night. Pattonsburg had protested the certification of Jameson as champions of the county on the grounds that they had defeated Jameson. However, Pattonsburg played football and was declared ineligible to be represented at the basketball tournament here. The rules provide that this tournament is for those schools not playing football.

A notice was received from the Liberty High School, withdrawing from the football championship race in the district. No reason was given for the withdrawal. This leaves Smithville and Excelsior Springs in the running for the championship in that district. The other teams from the districts in Northwest Missouri, still in the running for the championship are Princeton, Maysville, Savannah, Maryville and Tarkio. Some of these teams will be eliminated today and tomorrow.

A log cut from a gigantic tree probably several hundred years old, may be seen on the farm of John H. Johnson, near Brunswick in Chariton County. The log is 55 feet long, 10 feet and 6 inches in diameter at the base and 6 feet in diameter at the small end of the 55 foot cut. Mr. Johnson will give the tree to anyone who will preserve it for historical purposes.

A cynical bachelor says the suggestion recently made that the way to get more men to church would be to have women preachers is a poor one as men want novelty and they hear a woman preacher at home six days in the week.

ABOUT LANDSCAPING

Perhaps you are undecided as to what should be planted on your grounds to supply that "something" that you realize is lacking; or possibly you are getting ready to start the planting of a new place.

In either case, if you desire some assistance in planning your planting for the best landscape effect, we will be pleased to look your grounds over during the winter months and offer suggestions. We have planned the plantings of many beautiful homes, for which service we have never made any charge. Likewise, we have been frequently consulted by commercial fruit growers regarding their orchard problems. Our business is a general nursery line, and any information relating to planting, care and management will be gladly given. We are going to serve the best interests of our home people so far as they give us the opportunity; in addition to supplying them with the best of everything in our line at very much more reasonable prices than the same grades of stock would cost them from elsewhere.

Practically every "landscape man" who calls and solicits your business, is merely a maker of plans, who secures your order—with your signature attached—at prices about three or four times what the stock is worth, and buys it where he can get it the cheapest. Most of them grow nothing, and have no investment whatever, their sole stock in trade being their ability to put up a good sales talk. And—saddest of all—not a dollar of this good money ever returns to Maryville, or Nodaway County.

Ravenwood Picnic in California Nov. 4

(Ravenwood Gazette).

An event of unusual pleasure to those in attendance, was held on Sunday, November 4, 1923, when a number of former Ravenwood friends held a reunion in Brookside, Park, Pasadena, Calif. After the picnic dinner was served, the afternoon was spent in visiting, taking group pictures and enjoying the beautiful scenery. Altogether, the event was a very enjoyable one, being a reminder of bygone days spent in the "old home town." At a late hour, with a toast "to old Ravenwood," all departed for their homes, hoping to meet again at some future time.

Those present were: Mr. and Mrs. J. L. McMulin, Mr. and Mrs. Chas. N. Spear and daughter, Marian, Mr. and Mrs. Frank Crater and sons, David, Donald and Richard, Mr. and Mrs. (Myrl Lewis), H. T. English and daughters, Marietta and Vernetta, Mr. and Mrs. E. C. McMulin and daughter, Beth Maurine, Mr. and Mrs. R. E. Woman Tels of Buying Pardon for Brother

Touch Of Pathos Is Injected In Walton Impeachment Trial—Purchased From Representative

Oklahoma City, Nov. 16—A touch of pathos was injected into the Walton impeachment trial today when Mrs. Sophia Reed of Enid told the court how her aged mother mortgaged the old home farm to buy a pardon for Ira Williams, her son, who was sentenced to serve twenty-five years for criminal assault.

She said she arranged with Representative Murray Gibbons, former speaker of the Oklahoma House of Representatives, to get her son released after Gibbons had guaranteed a pardon because, he said, has was a close friend of Governor Walton.

Misses Elizabeth Duke and Ruth Nelson will spend the week-end in Bolckow.

MISSOURI FACTS FOR MISSOURIANS

On the extreme southwest corner of Missouri stands a cement marker four feet high where three states meet. On three sides of the marker are the following words: Missouri 1821, Oklahoma 1907, Arkansas 1836. In walking around this marker one traverses all three of the states mentioned. This is said to be one of the most photographed spots in scenic Missouri.

Although ranking ninth in population, Missouri's state road mileage, that is, the Federal serven per cent system—is only exceeded by four other states. The Federal seven per cent system is that approved portion of the state's road mileage upon which Federal aid will be granted.

Over 175 gallons of Missouri grown fruits and vegetables were sent recently from Monroe City to Port Arthur, Tex., where they will grace the table of a former Missouri woman who likes the Texas climate but prefers Missouri grown fruit and vegetables.

Mount Vernon, in Lawrence County is putting on airs because it has been chosen as the site for a $200,000 milk condensery to be built by the Carnation Milk Company. This will be the only milk condenser, of a national concern, in Missouri.

In the experimental orchards of the College of Agriculture, Columbia there are 2,600 apple trees, most of which are in bearing. There are 150 named varieties and 300 unamed seedling sorts developed by the Agricultural Experiment Stations.

Something to think about: During the past twelve months 47,000 single and young married men have left Missouri farms and only 24,000 have come to take their places, according to the Federal-State Crop Reporting Service.

Ancient human remains have recently been found in Pulaski County, found under ashes, in turn under earth, in caves and underhanging cliffs. Pulaski County perhaps has more springs and caves than any other county, although many of them are not so famous.

Small Boy Injured; Condition Serious

Albert Reynolds, nine-year-old son of Mr. and Mrs. Don Reynolds of Bedison, was brought to St. Francis Hospital today suffering from concussion of the brain. He was injured at noon today when he ran into a schoolmate, Leland Thompson, 12 years old, at the corner of the schoolhouse. He seemingly suffered no injuries from the compact and was able to walk home. Later he became unconscious and the attending physician considers his condition as serious.

M. F. A. Pictures are Shown in Guilford

The pictures of the M. F. A. parade in Maryville on October 27, were shown to a capacity crowd at the Reynolds Theatre in Guilford Wednesday evening. The pictures of the Farmers Union Live Stock Commission Co. of St. Joseph, were also shown. Henry Kiel, who has been prominent in the building of this commission company, was present and delivered a very interesting address on the subject of co-operative marketing of live stock. J. C. Lynch, secretary of the Nodaway County Farmers Association, was also present and made a short talk on the subject of the producers' contract which will be put in effect in a short time, probably within the next month. A box and pie social was put on in connection with the other entertainment. The ladies of the various farm clubs furnished about one hundred boxes and pies. They were sold by our local auctioneer, Carl Wray. The proceeds will be used to defray the expense of putting on the pictures.

Miss Lucy Whorton was awarded a box of chocolates as the most popular lady present, and Arthur Thompson received a pipe for being the laziest man.

Bogus Checks Passed at Clearmont Saturday

(Clearmont News).

Several bogus checks were passed on some of our business men last Saturday. The checks were drawn on the bank at Braddyville and had the name of J. N. Hunt signed to them. Two young men came into town in a car, stopped and did some trading and handed out the checks, which were larger than the purchase, got the surplus and drove out of town.

Mrs. Carl Fisher has been spending a few days at the home of her parents, Mr. and Mrs. Henry Smock, east of Maryville.

Mr. and Mrs. George McDermitt of Clearmont were Maryville visitors today.

Mrs. Otto Riley of Skidmore visited in Maryville today.

Mrs. Glenn Bloomfield Dies at Hospital Here

Funeral Services Will Be Held At 2 O'Clock Sunday Afternoon At Pickering Methodist Church

Mrs. Glenn Bloomfield of Pickering died at 6:30 o'clock Thursday evening at St. Francis Hospital following an illness of uremic poisoning. She was brought to the hospital a week ago today. The body was taken to the home in Pickering this afternoon, and funeral services will be held at 2 o'clock Sunday afternoon at the Methodist Church in Pickering. Burial will be in the Myrtle Tree cemetery.

Mrs. Bloomfield was 27 years old and is survived by her husband and three children, an infant daughter, born last Friday night, and Elvet and Louise Bloomfield. Mrs. Bloomfield with her family, came to Pickering last July from her home in Corvallis, Mont., to take care of her father, Sanford C. Leech, who died the second of this month following an extended illness. The surviving sisters and brothers are Mrs. Grover Dinsmore, and Cornelius Leech, Maysville, Mo.; Mrs. Ed Kelley, Corvallis, Mont.; Mrs. Denver Loch, Pickering; and Leonard Leech, La Junta, Colo.

First Methodist Women to Hold Annual Bazaar

Will Begiven In Basement Of Church Next Thursday—Has Been Given For Nearly 25 Years

The Ladies Aid Society of the First Methodist Church will hold its annual bazaar next Thursday, November 22, in the basement of the church. The bazaar has been given annually for nearly a quarter of century and always attracts large crowds. A chicken pie dinner will be served at noon and in the evening a fried chicken supper will be featured. Mrs. T. L. Wadley, Mrs. C. C. Corwin and Mrs. J. C. Allender will have charge of the booth where the fancy articles will be exhibited. Mrs. Emmett Scott, Mrs. Frank James and Mrs. J. D. Ford will have charge of the useful articles booth. The candy booth, where homemade confections will be sold will be presided over by members of the Epworth League. Parcel post packages will be for sale at the various booths and Mrs. A. B. Allen and Mrs. Frank McKee will be in charge of this feature. Many novel articles have been made as well as many staple things. The culinary department will be under the supervision of Mrs. C. P. Anderson, Mrs. C. A. McCoppin and Mrs. Herbert Wamsley, and Mrs. E. F. Wolfert, assisted by other members, will be in charge of the dining room.

Mrs. E. L. Townsend, Mrs. F. M. Townsend and Mrs. W. J. Montgomery went to St. Joseph this morning to spend the day.

H. L. Shrader Selects Poultry Breeding Pens

Several members of the Certified Poultry Breeds Association have been making preparations for the coming year. H. L. Shrader, poultry specialist of the extension service from Columbia, was here yesterday working with the members selecting breeding pens.

He selected a bunch of sixty-five hens, Buff Leghorns, for Mrs. A. E. Straub, who lives west of Maryville. Mrs. Straub began the work about two years ago with a pen of twenty specially selected high producing Buff Leghorns, that were free from any standard disqualification of the breed.

In spite of some hard luck with which the Straubs had to contend the flock has been increased to sixty-five birds. Mr. Straub is planning to build a Missouri style poultry house, 30 by 30 feet, in order to enlarge the operations for next year.

Mr. Shrader was at the farm of J. Ward Stevenson of Graham yesterday. Mr. Stevenson just started the breeding work this year and Mr. Shrader was selecting breeding hens for him to commence with next spring.

75 See Farm Bureau Films at Blackman

Farmers Report That Chinch Bugs Caused Damage to Crops in That Vicinity This Summer.

The farm bureau films on the chinch bug and the Baby Beef Show at St. Joseph were shown last night at the Blackman school, nine miles south of Maryville, by R. A. Kinnaird. There were about seventy-five present at the meeting.

The farmers in the vicinity of the Blackman school reported to Mr. Kinnaird that considerable damage had been caused this year by the chinch bugs. Many of the farmers were in favor of the farmers in the community getting together and burning out all the places where the chinch bugs might harbor for the winter. Several pledged themselves that they would do this on their own farms and get the neighbors to do the same.

Mr. Kinnaird announced that he would show these two motion picture films at the following places during the next two weeks:

Union Grove school, northeast of Elmo, November 19.

Brethern Church, southwest of Sheridan between Gaynor and Sheridan, November 20.

Mount Ayr school, southeast of Maryville, November 26.

Martha Washington school, south of Maryville, November 27.

The films will probably be shown at the Bethany church, southeast of Graham, November 30.

S. G. Gillam Has Land Near Big Gas Gusher

Other Former Maryville Residents, Henry Pierpoint and Edward Tebow, Have Interests Nearby.

The gas gusher hit near Fort Collins, Colo., recently may result in making some former Maryville residents and a Maryville man very wealthy. Henry Pierpoint and Edward Tebow, former residents here, have interests near where the gusher was and S. G. Gillam of this city has also interests nearby.

A dispatch from Fort Collins follows:

Natural gas pouring out at the rate of 100,000,000 cubic feet a day from a well brought in unexpectedly fourteen miles north of here, has transformed Fort Collins overnight from a prosiac little western town of 3,000 into a boom city with scenes reminiscent of the days of the gold rushes.

Thousands of land owners, speculators, farmers and business men throng the streets, feverishly trying to get in on the ground floor of what experts say may develop into a highly productive oil district.

Leases on the rocky land hereabouts which a few days ago could have been bought for a few cents an acre now bring as many dollars and are the basis for much wild speculation.

Cars are in Accident Near Palestine Church

Two cars collided last night on the road southwest of Maryville near the Palestine Church. A Ford car driven by Uel Riley, who was bringing five Maitland high school basketball players to Maryville and a Buick, driven by George A. Greeson of Graham, came into contact with each other, both cars being badly damaged.

The occupants were badly jarred up but no severe injuries sustained. Jack Connors, one of the Maitland players, suffered a skinned hand. It is understood that both cars were going at a fair rate of speed and met on a culvert. The Ford was badly demolished.

FARMERS TOIL FOR LESS THAN $1 DAY

INTERSTATE COMMERCE COMMISSION IS TOLD AT HEARING.

KANSAS GOVERNOR THERE

Davis Says He Heartily Approves of Efforts to Reduce Grain Freight Rates—Must Re-Adjust.

Kansas City, Nov. 16.—Incomes of less than a dollar a day were realized by farmers in South Dakota in 1921 and 1923, C. G. Worsham testified today at the freight rate hearing before the Interstate Commerce Commission.

Some of the annual family incomes in counties of that state where wheat is grown extensively were as low as $358, Worsham testified.

He was the first witness in today's hearing. He was to be followed by O. W. Sandbert of Chicago, assistant transportation director of the American Farm Bureau Federation, and F. J. Peterson, Kansas state bank examiner, and Carroll A. Worthington, deputy governor of the Kansas City Federal Reserve Bank.

Governor Jonathan M. Davis of Kansas was attending the hearing but declared that he did not intend to testify.

The Kansas givernor expressed enthusiastic approval of the move for lower freight rates on grain, which is being made as a means of bringing relief to the farmer. Davis, who said he was here today on private business, voiced his interest in the hearing, both as a governor and as a farmer.

"Something must be done to remedy present conditions," he said. "The farmer is not making a profit, even on his investment, to say nothing of his time and labor. I believe a re-adjustment of freight rates would improve the situation materially."

Davis said he believed the railroads would be able to stand a reduction in grain freight rates, and that if they cannot, rates on manufactured articles should be raised to permit a reduction of those on grain and agricultural commodities.

"Agriculture, the basic industry, cannot continue in its present condition," he said.

Depression, which in many cases, border on impoverishment, was told at the hearing today by C. M. Hyde of Alva, Okla., who brought a message from the dirt farm of his state. He told of foreclosed mortgages, farms sold for taxes, and barns sacrificed because the owners could not buy paint.

Hyde is vice-president of the Oklahoma Farmers' Union, and the United States Grain Growers, Inc. He has lived in the state since the state was opened to homesteaders.

Members of the commission, railroad attorneys, and experts of each state utilities commission listened intently as Hyde told of the agricultural conditions in his state.

Kansas City, Nov. 16.—Arguments in the hearing of the eight Middle Western states before the Interstate Commerce Commission here today were to hinge on the special benefits to be derived should a freight rate reduction on grain be granted, it was indicated soon after the opening of the meeting this morning.

Testimony thus far has brought out that the average freight charge per bushel on wheat in North Dakota, carrying it either to Duluth or the Twin Cities, now is approximately 14 cents. A rate reduction of 10 per cent, therefore, would be a difference of about 1½ cents a bushel.

Attorneys for the carriers questioned John H. Hagan of the North Dakota board of railroad commissioners, and inquired if the 10 per cent reduction were effected what percentage of wheat farmers would be benefited to the extent of avoiding contemplated abandonment of their land for other occupations.

"He would get along nicely if other interests would make a similar reduction," Hagan replied.

Here the railroads claimed a point, contending that, according to the witness, other necessities would have to come down proportionately, to materially help the wheat farmer.

Chairman Clyde M. Reed, for the states, after the railroad attorneys had made an exhaustive cross-examination of Hagan's testimony, appealed to the commission to prevent duplication of questions.

SAYS RED PEPPER HEAT STOPS PAIN IN FEW MINUTES

Rheumatism, lumbago, neuritis, backache, stiff neck, sore muscles, strains, sprains, aching joints. When you are suffering so you can hardly get around, just try Red Pepper Rub.

Nothing has such concentrated, penetrating heat as red peppers, and when heat penetrates right down into pain and congestion relief comes at once.

Just as soon as you apply Red Pepper Rub you feel the tingling heat. In three minutes the sore spot is warmed through and through and the torture is gone.

Rowles Red Pepper Rub, made from red peppers, costs little at any drug store. Get a jar at once. Be sure to get the genuine, with the name Rowles on every package.

Why be Feeble?

ADVANCING years should not mean the approach of a period of dependency—of crutches and canes—of worry, care and fatigue!

Don't dread the days ahead! Be prepared to grapple with the henchmen of Old Age—with rheumatism—with undermined health—with feebleness. The system that is free from impurities—through which rich red blood tingles need not worry about advancing years. Enlist the aid of S. S. S.—the builder of red blood cells—to fight off the infirmities of Old Age.

With the aid of S. S. S. when you reach this stage of life the nerve power that has been built up by ever increasing blood cells—the vim and vigor of youth that you possess will capably enable you to enjoy the advantages of passing years, while others less fortunate are feeble and dependent.

S. S. S. for nearly a century has been serving as a valuable and time honored assistant in the fight for hale and hearty Old Age. It is made only of pure vegetable ingredients and is sold at all good drug stores. The large size bottle is the more economical.

NEW LAMP BURNS 94% AIR.

Beats Electric or Gas.

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94% air and 6% common kerosene (coal oil).

The inventor, H. A. Johnson, 609 W. Lake St., Chicago, Ill., is offering to send a lamp on 10 days FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make $250 to $500 per month.

Clean Kidneys By Drinking Lots of Water

Take Salts to Flush Kidneys If Bladder Bothers or Back Hurts

Eating too much rich food may produce kidney trouble in some form, says a well-known authority, because the acids created excite the kidneys. Then they become overworked, get sluggish, clog up and cause all sorts of distress, particularly backache and misery in the kidney region, rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, begin drinking lots of good water and also get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to flush clogged kidneys and stimulate them to activity; also to neutralize the acids in the system so that they no longer irritate, thus often relieving bladder disorders.

Jad Salts can not injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to help keep the kidneys and urinary organs clean, thus often avoiding serious kidney disorders. By all means have your physician examine your kidneys at least twice a year.

MEN MUST HAVE FAITH IN JESUS

THE REV. HAMILTON SAYS AT TABERNACLE LAST NIGHT

PROGRAM FOR WOMEN

Tonight—Asked To Occupy Center Section—Plan For Big Meeting Next Sunday Morning

"It is necessary that men believe in Jesus, but it is just as necessary that they make that faith active," declared O. E. Hamilton in his sermon at the tabernacle last night. He further said: "Men must do something to be saved. It is not enough to have some sort of faith or conviction. The question of old was, 'Men and brethren what must we do to be saved,' not what must we believe."

"Repentance is something to be done and so is Christian baptism These are not things to be believed. I do not believe in baptism, but I believe in Jesus and want to be baptized because of that faith. Jesus is the one great creed for men to believe."

"What must men do to be lost? Nothing. Doing something, saves, doing nothing damns. If I can stir you out of your neglect and passivity into a vital action in doing the will of Christ, I can then know that you are on the road to life and salvation. Men cannot trifle with the commands of Jesus, except to his own condemnation."

In response to the appeal last night there were five who "hit the trail" making forty-four so far this week in the county campaign. Everything is in readiness for the ladies' night at the tabernacle tonight. The women will occupy the center section of seats and the program will be fitting for mothers, especially. Arthur Hamilton will sing a series of songs, "Sonny Boy," "That Mother O' Mine" and "Mother Macree." The goal for the women is to fill the center section and have $100 in their offering. The men's night resulted in an offering of $77.14.

The plans are for a great service for the children at the tabernacle tomorrow afternoon at 2:30 o'clock. Parents are asked to make it possible for their children to get into this great meeting.

The Sunday Schools of the county are planning for great attendance next Sunday morning. A goal of 2500 has been set in all the schools. Burlington Junction school is trying for 100 men and boys. The Maryville class is trying for 200 men. Other classes and schools are making likewise worthy plans.

The sermon subject for Sunday night will be "Christian Unity."

Dr. Short to Address Chamber of Commerce

Will Be Speaker at Chamber of Commerce Dinner Next Tuesday at Residence Hall.

Dr. Francis Burgette Short, educational director, J. C. Penney Company, New York City, will be in Maryville Tuesday and will address the Chamber of Commerce dinner at the girls' Residence Hall at the State Teachers College that evening. He is a man of large and comprehensive vision, and is reaching the business world with the higher ideals which enable the average man to take a new view of business life.

The old adage, "Honesty is the best policy," is now being replaced with the new one, "Religion in business is the best policy." There is now a decided change in business men's relation to this great fundamental. The old notion that you cannot mix religion with politics nor with business, that "business is business."

The discovery made by Rodger W. Babson that the largest men of affairs, the men who are at the head of big business, are religious, has set the business world to thinking and to come to the conclusion that religion makes men great and prosperous.

Dr. Short is an interesting speaker and his address will hold the attention of his audience. He believes men will act in harmony with their knowledge and he seeks to impress his own moral and patriotic convictions upon others. His address on "Americanism" is a stirring appeal to the patriotic conscience and his "Religion in Business" points the way to a better understanding between employer and employed.

The Chamber of Commerce has invited the Social Science Club of the State Teachers College to hear the address of Dr. Short.

Reservations for the dinner can be made at the Chamber of Commerce.

Below the earth the coal doth sleep
Miners reach it by digging deep.
But the poor consumer, it is plain,
Down into his sock must dig again.
